Mr Elias Leav

Dear Sir

Arrived we have
sales of No 1 & 2 Tobacco. Which
we hope will prove correct and satisfactory.
Net proceeds of \$29785 per checks
enclosed. No 2 was dark tobacco generally
of very good dark manufacturing color
and good body but showed some mottling
in substance and mixed in color. No 1
leaf and short leaf, very small. The prices
of the No 1 & 2 were very satisfactory
and good deal better than could have
been obtained when they were received.
The market for several days past has
been very quiet and some better
