

A. T. BRUCE CO.,
COTTON FACTORS AND GENERAL COMMISSION MERCHANTS,
NO. 166 PEARL STREET,

New York, May 10th 1867

P. P. Clements Esq

Sir, The Telegraph is working badly
Yesterday we had no public news, this a.m.
we received yesterday morning's Market 10 $\frac{7}{8}$ [?]
and the latest we have is up to last evening
which quotes Cotton declining 10 $\frac{3}{4}$ [?] - Some Cotton
has been sold on the rumor that private dispatches
quote the Market at 11 $\frac{1}{4}$ [?] - all seems in a state
of confusion, the prices of Bonds & Consols have
advanced which would indicate a more
peaceful aspect, Nominal quotation 27 $\frac{1}{2}$, Spirits
Imp 47 to 48 -

Yours Truly
A. T. Bruce & Co
