

[To Elias Carr. Warrenton, N.C.]

Hilliardston

August 14th 1867

Dear Elias

You will oblige me very much if you will find out from Al Green whether or not he will loan me about \$1000 or less by mortgage or otherwise.

You are aware that the security will be ample and unencumbered. If I can get a part of the money shortly it will answer. I wish to compromise my debts.

Address me at Hilliardston as soon as convenient. I would come up. but have no transportation. Remember me to Cousin L. truly your friend
