Williamston Nov-20th

Cousin Elias

I received your letter some
days ago, would have answer'd it before now, but
through negligence. I send you my note as I have
not the money and my cotton comes in short,
hope by another fall I will be able to pay you.
I shall carry or send Carrie & Mrs. Pamperle
down to Plymouth next week. Our County voted
the Radical ticket, as the whites did not turn
out as they should have done, Our Candidate
is a very unpopular man. Crops are very good,
hope you have a good one. Carrie joins in love
to you and Cousin Ella.

Your Cousin
J. P. Willard.
