Dear Sir & Brother

A young lady has made application
for membership in Alliance
No. 1820. She is of age and does
her own trading.

She lives with her grandfather
and he is not a member.

One of her uncles lives in an
adjoining house to the one her
grandfather lives in.

Another one of her uncles is their
nearest neighbors.

Some of the members are opposed
to receiving her as she is living
among her folks who are not
members of the Alliance.

They have agreed to refer the question
to you, and will abide by your
decision.

Please give us an answer as soon
as you can.

Our next meeting will be the 18 day
January.

Fraternally

J. B. Olinare

Secretary Alliance No. 1820
