

You can reconsider
the matter -

Meane July 16th
Mr Elias Carr

Worthy Brother -

I write for
a little information - I
am president of a Sub-
Alliance - a brother came
with a demit to my Alliance
at our last meeting -
I appointed a committee
of three to report on him
and they gave a favorable
one - The ballot was
taken - and ^{there was} his black
balls - according to the
Constitution I declared
him elected - after the
meeting closed - I learned
that he had elected very

dishonorably in a business
transaction with one
of the parties who cast the
black ball - This was
not generally known
by the members - or
I think they would
have voted differently -
What can we do now?
can we reconsider
the vote? if we retain
the semit member - we
lose two of the very
best members of our
alliance - I thought
I would consult you
about it - will you
be so kind as to let
me hear from you
before the 25th of this
month - as we must
opine them - I should

a like your opinion of
the matter - The two
no would loose and
men of good reliable
character - good citizens
good workers in the
alliance - The other is
not a bond holder - of
no great force of character
tho' not know much
about - a good sort of
fellow, for all we know
at the same -

Very Truly
