Gov. Elias Cair

Dear sir:

Mr William Staton has transacted
to us an aff of yours.

From his statement to us we think
there is no doubt of your being
liable for the same.

Before taking any steps to
collect. We would like to hear your
version of this matter. If you are
not liable we have no disposition
to worry you, Mr. Staton is a very worthy
& reliable man & from his
statement we can't see how you
can possibly expect to avoid
paying it

Yrs &c
