Dear Sir

We Enclose bills for various purchases made for you. Please credit us agreeable with statement herewith of \$1.87

In regard to the Wine it is some our friend J. L. Davis had on hand prior to the war, and not having been subjected to present duty, we have procured you a good article less than we could otherwise have done. It is a good article and pure - We trust all two articles will have your approval

Our Cotton of which we advised the sale, to be made - I believe of further sale to day at Liverpool 1/4 - Ga. Middling upland sold yesterday at 36, and some were sold to day at 35 1/2 the market is without animation -

Yours Truly
