

Charlotte, N. C., Sept 21st 1889

Elias Carr. Pres.

Dear Sir & Bro:

I have had a meeting with Col Long and Capt Alexander and we have agreed upon a plan of canvass for the State.

The plan is this: Brother Long will work in the western part of the state and I am to go to the 1st 2nd 3rd 4th and fifth congressional district. I will leave Charlotte for the 1st district on the 1st of October and I want to make a partial canvass (visit some of the most accessible points) spending about ten days there and then go to the second district about the same length of time. After I get round this way I will go back and make a complete canvass of the entire field. I write to beg you to help me in this matter as I am very unacquainted with the country at once and suggest such as you think I ought to visit brethren know I am coming. 3 over

I will be under lasting obligations, and
will appreciate the kindness, if you will
make the appointments, and notify the brethren
through the Prog Farmer or otherwise. I will
go to Raleigh on the 1st of Oct and on the
2nd I will make my way to the eastern
countries at such places as you may direct.

Hoping for an early reply I am
Faithfully and Fraternally
