

if desired - I think some of our
Men would like for their Children
to see what a hog foot & back bone
is. The hogs are in cool cots and
can be sent any time but it
would be better not to or until
September -

C. R. Sides 5⁹⁰ here to day -

Cotton 10⁵⁰ here and 11cts at factories
in Lincoln and Garton - The Compiler
is to day Complaining of Cotton baling
says it is not strong enough - his wagons
are going out of town loaded with
it just the same -

Yours Cordially
W. Abraham

Am glad to say our little daughter is
much better - I left Mrs. G. and the girls
putting down the Alberine Carpet
