Bro Carr

On return home
 find your favor. I hear
 Bro Polk is sick and no
 doubt his mental troubles
 are as great as physical.
 I am surprised at the
 Committee overruling him
 and suggest that if we
 can we let him have money
 enough to pay his expenses
 taking his orders on the
 National Treasurer. This would
 be taken as cash on the
 dues we will owe next
 November. I send some
 letters for you to answer
 also a Communication from
 Bro Bagg. Bro B. sends letters
 of commendation from good men.
 Excuse me as I have a large mail
 fraternally J B Alexander

When the Ex Committee met they expected to pay National dues
