Mr. Elias Carr,

Old Sparta,

T. L.

Dear Sir & Bro,

I guess you are aware of our writing you concerning a charter for the New Home Alliance. You answered our letter, and told us to send our money and names of our charter members to Secty. L. Polk and also your letter and he would issue the charter at once. He sent money, names of Chor. members and also your letter, and the Secty did not receive it. I wrote to the present Secty. and he says that he knows nothing about it. I also enclose his letter in this so that you can see for yourself. We want you to write us as you did before showing your willingness for us to have. Hoping to hear from you in mail. I am
Yours truly,
Josiah O. Baker Secty.
