March the 10

Mr Carr Dear Sir and Bro  
I to day write you a few lines  
for some information on receiving  
members in the Alliance, as some  
has been going contrary to the  
Constitution and I want some  
light on the subject I would be  
glad you would answer the ques-  
tion through the Progressive Farmer  
if not out of order

Question

What steps should be taken in  
the case where a Sub Alliance recei-  
ves a person into to the order  
who is not a citizen of the state  
in which he is received and where  
he is nearer to find others than to  
the one received into

me some information on the  
subject
