Dear Bro. Carr,

I am in a great deal of need of supplies
and am out of them
I will get any I can
I have written

& asked him to call & see
I will him to send the signals at
once, but I have not heard a word
from him yet.

I hope you will send me the "demands"
as soon as possible. Please have the National
demands separated from the state in order
that I may without trouble have the cards
printed separate. I will have that done by
the time the demands can be ratified by the
subs. I do not think we ought to lose any
time in getting them before the people.
I fear your are right about Macum's
