President State Alliance
Dear Bro. A. question
is a minister of the
gospel who lives inside
of an incorporated town
on a farm and running
a farm ~~it~~ and is doing all
his ~~the~~ ministerial work in
the country is he eligible
to membership in the Alliance
we are divided on that point
I think he is nothing but a
Country Preacher. I do
not think the intent of the
Constitution is to debar him
because he is inside of the
corporation line. he is a good
practical farmer and would be

a good member. I waiting
your answer I remain
your fraternally
