Union Ridge Alamanco & Co

March the 24th 1890

Bro Carr does the Law require us to take
out Merchant License from the simple
fact that we have borrowed \$200 dollars
for our Agent to pay Bro Worth for
Supplies when he makes a order for us we pay
for them when delivered then he has the cash
for the next order he adds an only enought
percent to cover freight and Carriage & we are
buying only for ourselves and not for outsiders
ours Fraternally
