Messrs. E. Carr & Son,

Ocho Sparta, N.C.,

Dear Sir:

Your postal of the 19th.
is at hand, and as your request is
a reflection on my veracity,
I refuse to send you the
postal which contained your order
for the Rock Salt.

Please remember
that your order was entirely unsolicited
by me, & I executed it unhesitatingly,
even though you are perfect
strangers to me.

Now, I decline to

prolong this controversy, said you
will not accept this fact
as for the invoice, please
advise me at once on the
enclosed card.

I can place it
in Tarboro, Greenville, or Washington.

Very truly yours,
W.D. Henley,
