Dear Sir & Bro

Should I feel it incumbent upon me to go to Texas about the middle of next month, do you think my return (at my own expense) for a couple of months would be desirable or to the best interest of the Alliance. Bro Polk insists on my remaining until our Nat- meeting Oct 10th. My advertised appointments carry me until Sept 15th and I do not know as yet that it will be necessary for me to go home until Nat- meeting is over. please write me

Yr. fraternally yours
