Mr. Elias Garr

Dear Sir & Bro,

By order of my Alliance
I address you for information:

A gentleman, his wife,
and daughter sent their
dimitts to our Alliance and
they were rejected, they now
demand the dimitts and our
Pres. refuses to return them
on the ground that the di-
mits is the property of the
Alliance when they are once
laid in and committees
appointed on same.

We await your decision.

Fraternaly,

J. A. McLeod, Sec'y.

Mr. John Galt

Dear Sir,

By order of my Board
I address you for information.

A gentleman, his wife,
and daughter sent their
devotee to our Officers and
they were rejected, they were
denied the devotee and so.
This refusal to allow them
on the ground that the
devotee is the property of the
Officers when they were
sent in and committed
apparently in error.

It is my own decision
Respectfully

J. B. Lee, Jr.
