Respected Brother.

As our official leader
I desire your information respecting
the following charge against a
brother in our sub alliance at
Laurel Hill Lincoln co. N.C.

Since he connected himself with
the order he has been distilling
and selling intoxicating liquors
I had it brought before the body
Apr 5. was the decision correct in
claiming it consistent with constitution
or ritual for a member to manufacture
and sell liquors, according to our obligation.
Please give me your views as early as
possible. I remain fraternally yours
L. W. Corbett.
