April 22nd
Bro Carr

I did not know
until Saturday evening that
you were spoken of for
Congress - so you must have
thought it out in my writing
you in regard to Bro Rogers
You are entitled to the race
and as I think Bro Rogers
will give way if you de-
sire to make it -

I think only one of you should
start in - and I am willing
to use my "good offices" in try-
ing to get Bro Rogers to join
your forces. Be sure and
be at Ex Comba meeting
May 6th & welcome
