My dear Mr Elias Leav

Your valued record  
came duly to hand to-  
day, and will now go  
forward with your interesting  
letter of recent date -

Would like to hear  
from you occasionally  
as to the progress of  
the Alliance etc -

I venture to remark  
that I am a Cleveland  
<sup>man</sup> clear through - I hope  
the anti-republicans  
will make no mistake

in their next Presidential  
undertaking - I say  
Anti-republicans for  
the reason that there  
are many such who  
cannot be called  
democrats -

Hastily but fraternally  
Walter Lamm
