Eliza Ann Esq. - Pres.

Ald. Sparta N.C.

My Dear Sir & Bro;

Yr. favor 22nd to hand & am truly
noted. I have this day called a meeting of the "State
Alliance Legislative Committee" by letter to each member -
to meet in this City on Wednesday Jan 7th 1891.
The work is one of great responsibility and
no delay should be had in taking hold of it.
I want us to meet and learn our duty, and do it.
It is not necessary for a continuous session of
the Committee during the sitting of Legislature.
Perhaps two or three meetings will be sufficient.
For the Committee I could safely say the
State Alliance would pay for their services.
You must wait with us at that time, I am sure
you will be of very great aid to us. I hope you
will commit to Com. I am greatly
thankful for yr. suggestions in regard to the

See Bill & it shall have our special attention.

I hope you will freely, at all times, advise the Com-mittee on any matters that may suggest themselves for the betterment of our people. Hoping to see you again during session Leg or later,

I am, truly truly & faithfully,

R. J. Lowell

Chief State Alliance Leg Com

P.S.

I have no doubt Chas. A. Torrey will be a valuable member on our Committee & am glad to know he is to associate with us.

I wrote Capt Alexander in regard to House Bill 811 of last Leg - being the Ky Commission Bill defeated in the Senate. I asked him for any Changes he might suggest and he has the same a few. The Bill should be among the first introduced & should be passed as early as possible.
