

Holk N.C. Dec., 1890

MR. F. L. Folk

Dear Sir & Bro we have
sent some time ago for
our Charter and have not
heard from it I thank D.
woud like to see a good about
it we have paid for it and
subscribed it so we can get
our seal I wish you woud
forward as soon as convenient
I wish you woud answer a
question for me and
that is I want to know
if a man sells quanno a
small quantity 5 times will
that keep him from being
eligible to membership the
man is a good man & we
want him & his influence

with us he is sorely
anxious to join he says
he will get the quorum
for a discomit and he
wont charge the alliance
when any commission or
what he sells the goods
I wish you would give
me a nice James Thrby
C. Haskins business
Agent Smith Creek alliance

I wrote him in regard to the
charter but thought the other matter fell
within your province, I sometimes
answer such questions when the
President has made a ruling in a
precisely similar case. E.C.B. —
