Howard F. Jones,
Stedsville, N.C.

Dear Sir & Brother:-

The Supreme Council at Ocala referred to the Executive Board authority to decide on the Pin and Badge and I write to inform you that the Executive Board will be in session here about the 14th of Feby. and we would like very much to have designs and propositions as to what you will do in the premises.

I carried with me to Ocala the drawing of steel pin which you sent me a year or more ago, and when Brother Alexander brought up the matter I presented same to the Committee, but the whole thing was referred to our Board.

Yours fraternally,

C. W. Maquire

be of service. To me
