

Beaufort, N.C. Oct. 6/58

Sir Bro.:

I write for a decision
to one who is a Physician, practi-
cing in both town and country,
and Farmer also but living
in town, eligible to membership
in the Alliance. We have an
application from such an
one that we are anxious to re-
ceive, but don't want to violate
the constitution. An early answer
will oblige - Yours fraternally - R. Howland
