Dear Sir and Bro.—

I enclose stamp for reply to the following questions. I want you to answer them at once by mail, and I would like, also, for them to be answered in the Progressive Farmer for the benefit of other Alliances:

1. If a member fails to pay fees for two quarters, is he expelled without action of the Alliance?

2. Should secretaries of Subordinate Alliances report, at once, the names of such to State and county secretaries?

3. Can a member expelled thus ever petition to become a member till expiration of six months?

4. If a person whose name is on the roll, is behind in payment of dues nine months, should he send in with his petition, seventy-five

cents?

I have numbered these questions, and you may number the answers.

Be sure to answer at once as we are at a stand-still on these questions.

Fraternally,

W. J. Simpson, Secty.
