Elias Carr Pres.

Dear Sir & Bro:

As you will see by this date & place I am on my way through this 1st district. I will be at Plymouth on Mon 14th & and at Williamston on Wednesday 16th. Can you make it convenient to meet me at some of these places? If not, I will try and see you at Tarboro as I want you to help me make some appointments for the 2nd district. I have had very good success so far with the exception of one or two places where the appointment was not known by the people. I am satisfied when I can have a

complete canvass we can get
all the brethren out and it will
do our cause a vast amount
of good. I never saw people
more eager to learn about the
objects and aims of our order.
If you can make it convenient
come down and visit me.

Your Old Level
