Referred Art 1. Dec 4.

Farmington, N.C.
Oct. 15, 1889

Mr. Elias Carr.
Brother:

The Recipient of our
Lodge (Jarvis Town)
request me to write
you for information
concerning the Lodge
that organized at
Olive Branch. Whether
they have any right
to move within one
mile and a quarter
of our Lodge and there
solicate members without
violating the constitution.
We think they moved

to Farmington with the
intention of breaking
down our lodge.
We would like some
information on this.
They applyed to us
for permission to
organize at Farmington
and we voted it down
and the applicants said
they would have it
there if they had to
organize at Olive Branch
and move there."

Fraternally
"C. J. Cathell,
Cor. Secretary.
