Dear Sir,

Please let me know by return mail if a Minister of the Gospel, who lives in a little village, and preaches in country churches can become a member of the Alliance.

enclosed one dollar as renewal of my subscrip-

Does not a member of the Alliance become  
ineligible for longer membership if he takes  
office under the U.S. Government. - Such as

We have a case in our Alliance. Sunbury

One of its members has lately been appointed  
to an office under the Govt. Some Subordinate  
Office in the Int. Rev. Service. please give  
me official information on this point (without  
any mention of my name) - in your paper as soon  
as you can find space.

Truly & Fraternally
