

SECRETARY'S OFFICE,

Carolina Farmers' State Alliance,

Raleigh, N. C., Oct 2 /<sup>25</sup> 1889

Dear, President N. C. S. F. A.

Dear Sir & Bro:

I intended to go by your  
see you personally, as I failed  
Raleigh in time to meet either  
of or the ex. committe. I wanted  
some advice in recommending a suitable  
man for lecturer in the 1<sup>st</sup> Dist. I found  
in my mail here appointments for me  
in Currit and adjoining counties for the  
2<sup>nd</sup> inst and forward. Will be up in  
your section as soon as possible. I find  
that the brethren down in the extreme east  
are exceedingly anxious for the services of  
lecturers and are inclined to complain  
that they have heretofore been overlooked  
in this respect. Will do my very best to  
reach as many as possible. I find it  
almost impossible to sit down and make  
out a list of appointments for an extended  
campaign. This will not be the case when I get  
out of the low tide water section.

SECRETARY'S OFFICE  
Carolina Farmers' State Alliance

I am inclined to think  
through the upper eastern section  
the brethren considerable good  
ing an error among them. I  
a much better account when I  
which I hope will be soon. I  
know if any action was taken in  
regard to lecturers for the 1st and 2nd years  
I will drop you a card from Beaufort  
and inform you where to write me.

most respectfully yours Abt servt  
R. B. Hunter
