Dear Sir

Your favor 22nd rec'd

 recommend you using
 Fuller Bibbs which would
 cost you as follows

Fuller Coets for 1/2" Pipe	\$1.00 each
" " " 3/4" "	1.25 "

We inclose you a
 small circular of Iron Pumps
 & would refer you to Fig 97
 as a good serviceable Anti-friz

 over 40 ft deep & we quote you
 35% discount from list if you will

I want a Bare Glider Pump as you can send you
