Mr Elias Carr Dear Sir and  
Brother wee the Bethlehem  
Alliance have 10 male members  
suspended for not paying quarterage  
and all have wives belong to  
our alliance and part of the  
members think that a mans wife  
has no right to be a member  
when he is suspended expelled or  
blackballed and some of our members  
think that a man being suspended  
ought not to suspend his wife  
so wee want to hear from you  
on that if a man is suspended  
expelled or blackballed whether  
his wif is Eligible to membership  
or not Isaac W. Davis Secy
