Hon. Elias Carr,

President - State Farmers Alliance,

Dear Sir:

We have before our Lodge the application of the Register of Deeds of our County - who does not own a farm nor does he cultivate one foot of land but depends entirely and solely on his office for a living. I take the ground he is ineligible to membership. What say you?
His case, also, who is a practicing Physician in an incorporated town - his name application. He does not own a farm nor does he have a farm. I say he is ineligible. From you
