Bro. Elias Carr

Dear Brother:

Will you please let me know by return mail, if a Sub-Alliance, under our present Constitution, has the right, in forming its bylaws, to ~~se~~ expel a member for absenting himself from three regular meetings, when they have no other charge against him whatever? By answering this promptly you will oblige many of your friends: It is not convenient for me to write under a seal today but will enclose a letter from Bro. W. H. Worth that you may see all is right. You will please return Brother Worth's letter in your reply.

Brave & Courageous, we are all with you.

Your Friend & Brother
