Elias Car President Farmers State Alliance

My most Esteemed Brother  
Sir I have a few questions to ask you concerning the  
Eligibility to the farmers & laborers union  
a man belong and be a stock holder in a store  
is owned by stock holders

is a store in our county that is made up of  
belonging to the F.A.L. These stock holders want  
out of the alliance but say it shall belong to  
holders only, and the charge alliance men  
percent they do outsiders
