Hon Elias Carr. Pres N.C. & State Alliance

Oldfields N.C.

Dear Sir

I wish to ask a question as regards uniting of Sub Alliance — When a Sub-Alliance makes its Constitution, and in that constitution has two (2) Meeting places named, and states in said constitution that the work of securing petitions, and conferring initiation can be done at each place, if that does not give said alliance victory from each of those two points; Also if this is any violation of the State constitution; If so what section of Constitution;

Please let me hear from you at your earliest convenience oblige

Yours Fraternally

J. C. McMillan
