Bro Carr

Yours in regard to Bro  
Dorchen just received -  
I think you had better write  
him to go to work in Colum-  
bus, Robinson - Richmond - An-  
son Union Much in being  
Caharris & Stanton as soon as  
he finishes Brunswick and  
New Hanover - this is all  
of the 6<sup>th</sup> district and no  
lecturer has been appointed  
to it - If he takes "the job"  
I will know and I will  
copy Bro Long - several  
times indicate the R & D R R  
are trying to work up  
some feeling in the  
some lawyers seem  
and want him  
of the news &

Observer seems to be the  
pretence - Please write to  
Bro Dordson to instill the  
alliance principles - to stick  
together as I hear there is a  
feeling ~~swat~~ of cost of the  
Pedic River to art. including  
ly - this I think is brought  
by the store craze and some  
politics - Hurriedly  
Yours  
Alex
