Dear Sirs.

Your enclosing Bill for  
Sawing and freight on 733 ft  
Lumber rec'd in due time  
and I have been waiting to  
ascertain from Reosom why  
you sent Bill to me, but as  
yet have been unable to get  
an explanation. The logs were  
all mine and he should have  
paid for this out of the proceeds  
of the other, and for which he  
has not accounted. He  
will bring you more - but  
not from me - and I wish  
you to retain this amt for  
me \$14<sup>53</sup>. If you can't get  
it out of him I will

My ih-

Respectfully

Yours truly  
Elinor
