

OFFICE OF

R. JAS. POWELL,

Wake County Alliance Business Agent,

307 SOUTH WILMINGTON STREET,

Raleigh, N. C., Nov 26th 1889

Chas Carr, President
N.C. Farmers Alliance
Old Sparta, N.C.
Dear Sir & Bro.

I herewith enclose
your Bro North's Circular in reference to Guano
which explains itself in Analysis and price.
The N.C. Phosphate Co. of this City offered
to sell the Farmers Alliance direct Guano
of the following analysis.

Available Phosphoric Acid

Ammonia

Potash

Price on Cars at Raleigh \$1.00 p
Terms same as the Durham Bull

You will observe that the N.C. Phos
contain 1% more Available Phospho
that of the Durham Bull Co, but 1% less per ton.
Also the N.C. Phosphate Co's goods are 50¢ per ton cheaper.

Not written very distinct - from analysis, undoubtedly
I would recommend it -
If lawyer has soundness heave is slight -
Concern in a derivability of being an allowance of
A. M. College -
