Mr Elias Carr

Dear Sir & Bro.

Falling Creek Alliance No 445 has rejected certain applicants, one has been rejected twice. They have gone to another alliance and made application (Buntonsville alliance Johnson County) and have been elected. Buntonsville @ is not as near them as our lodge & neither of them carried a furnish. This is contrary to the constitution & now we want to know how & where to make the charge against Buntonsville Alliance. do we carry it to our Co Alliance & let her carry it to Johnson Co A. or do we make the charge to the said Johnson Co A.

The material alluded to above is not of the right stripe for us and we think best to stop not abide by the constitution please let us have your answer as early as convenient
Yours fraternally
