Mr Elias Carr

Dear Sir & Bond

There has been a great deal of discussion in the Sub Alliances in this section in regards the taking in as members of the Alliance Rail Road hands such as Section Masters & hands working on sections. Please notice the contents of this & let me know if they are allowed ^{they} might to become members. There are a few of our members that are working on the road as Sect-Hands, but they were members before they commenced work. If they are not allowed to become members shall they be dismissed. Please answer by return mail. & send me a list of your rulings.

Yours Truly

W. H. Puff

Pres. Della Alliance

P.S. How shall we work the members that voted against the Democratic nominees when they were all Democrats
