Mr Elias Carr. Old Sparta N.C.

Dear Sir and Brother.

I wish you would inform me if it is right to initiate a member that we take in, who was out on account of non payment of dues, or a demit that is over 6 months old. Is it right to allow members to buy alliance goods or fertilizer for non alliance men. I ask the above questions as President of Cherry Grove Alliance No 677.

Yours Fraternally
