

Worcester, Mass. 1891

Mr. Charles Burn

My dear Sir,

Moses S. Church offers \$500
for the Lewis Parker and the Jeff Church
Places. Fifty Dollars Cash and the balance
in 1, 2, 3, 4 & 5 years with interest at 6% Cent.
The deferred payment to be secured by
deed of trust on the land and the crop
made on the land the present year.
Let me know on receipt of this if the offer
is satisfactory. It is almost impossible to
sell land in this County when
sold on time the money can not be collected.
Walter is still in New York. Hope he will
return Saturday. Our farmers have done
very little this year. Hope they will make
less Cotton & Tobacco and get better prices.
All well and send love.

Very truly yours

Wm. F. Parker
