Dear Sir + Brother

In The "Plans for
organizing Lecture System" &c on first Page
2nd paragraph. Please Explain, who is
referred to as County Lecturer? Is it
the Lecturer that is elected by the County
Alliance at their regular July meeting?

The Code is
this, at our July meeting we elected an alliance
Lecturer as prescribed by the Constitution; and
at the January meeting Bro Jos Bond was
elected "County Lecturer". I was not present
or I should have objected. As matters stand we
now have two Lecturers. Please let me know
which is the one referred to as having to meet
on "Wednesday 6th May" in paragraph 3rd page first of Plan

I Enclose letter + Petition from Phil Allison
&c I do not understand it. It refers to the "Ocala" meeting
Please Explain. I don't know whether it is an agricultural
or not. Please give me your definition of
the Constitution meaning by that. I am
and office for information.

P.S

Please return the petition with instructions
how I must act in the premises and
oblige
