Hon Elias Carr, Pres F.S.W.

Dear Sir and Bro.

Your card recd today. Would say that Bro Polk wrote us to forward the Charter fee to him and the Organizers report to you. Therefore I sent him the fee (\$1.50) I was not aware that you had to have a fee also. Please notify me what it is if the \$1.50 sent to Bro Polk is not all that is required. It has been some time since we organized and have been wanting Charter. We would be in working condition.

I attend to it at once as was presented at the Co Alliance on 1st Friday in Jan. 89 with 11 members and have 3 to initiate at next meeting. Earliest attention will be given me.

Yours Fraternally,

L. H. Cashes
