Washington Dec 20th 1917

Dear Sirs & Bro!

Enclosed find ruling
of President L. D. Polk. We send you
several copies that you may send
some to such officers as you
choose

Brother Polk requests me
to say that the necessity for
labor on the part of the National
officers is very great and nothing
can be done until funds
are received from the States

It is therefore hoped that you
will give proper instructions
to secure payment of this
money immediately

Yours gratefully
J. W. Macune
Chairman of Board
