Mr Elias Carr,

Dear Sir & Bro.

At a regular
meeting of the Sassafras
Fork Alliance No. 591,

It was unanimously
resolved with one exception
to allow me as B. A.

to sell grass to outsiders
at a profit, & said profit
to go in the treasury

of said Alliance, for
the good of the order.

It was also resolved
to submit this to you for

your approval. we

have the approval of

2
~~Mr. State~~ S. B. A. in
this case. But we want
to be sure we are
right before we move
in this matter.

In case you give
this your approval
will it not be the
duty of S. B. A. to
fix the outside price?

Fraternally
A. H. Gregory, B. A.
