Dear Friend

The resignation
of Col L. S. Polk as secy of our Alliance
is to be supplied very soon by another
appointment and as I am anxious
to secure the position I write to ask
you as a friend to give me any assis-
tance may be in your power.
I have written to Syd Alexander but
am not acquainted with either of the
other members of the executive committee.
I thought in your position you would
most likely be well acquainted with
them and if you would drop them
few lines in my favor at an
of great assistance to me in
the place. Our crops here was almost
an entire failure and I am compelled
to look up some other work to enable
me to carry on my farm and support

Any assistance you can give me
will be thankfully received and
duly appreciated. Please let me
hear from you immediately and
much oblige

P. S.

I feel more interested in the
Alliance than any other organization
consequently would greatly prefer
doing duty in its ranks

You will doubtless recollect that
Messrs J. M. Newbome of Kingston & J. S.
Houston of Raffin are the two other
members of the committee
