Dear Sir,

I have your letter of Nov. 25th; also the Tobacco letter, containing an account of the public meeting referred to. Not being on the ground I am not substantially acquainted with all the circumstances. Specific instructions regarding the lease of the plantation to my children. I authorize you to make my rebate you think right and you are trusting that you will do for my children what you would do in like case for your own children, what will be for their parent and a real interest as owner of the plantation.
